

VIBAC GROUP

VIBAC GROUP, A WORLD LEADER - 50 YEARS OF CONTINUOUS SUCCESS

VIBAC Group is a multinational enterprise and one of the world's leading companies in the Pressure Sensitive Self Adhesive Tapes (PSA) and specialty Packaging Films industry (BOPP).

With **6 manufacturing plants** across Europe and America, the Group serves multiple high demanding industries including Food & Beverage, FMCG, Packaging & Labelling, Transportation & Logistics, Building & Construction, Automotive Aftermarket, Painting & Decorating, E-commerce and Home improvement.

VIBAC'S QUALITY STANDARDS

Vibac's **quality standards** are amongst the highest in the industry and so are the efforts and investments made to ensure that our group grows in a sustainable way.

RESEARCH & INNOVATION

Vibac Group's **technology and innovation strategy** plays a key role in achieving and maintaining leading competitive positions in the fields of Food & Beverage, FMCG, Packaging & Labelling, Transportation & Logistics, Building & Construction, Automotive Aftermarket, Painting & Decorating, E-commerce and Home improvement.

ADHESIVE TAPE DIVISION

Vibac, adhesive tape manufacturer, carefully develops self-adhesive tapes to the smallest detail, taking into account their end use and their users by satisfying the most demanding customers. Our extensive sales and distribution network allows us to deliver anywhere in the world. We offer our customers a wide range of products thanks to a **vertically integrated production process**. This allows Vibac to be able to **handle the entire production chain** of film and adhesive tape. The startup of this **innovative paper mill** consolidates Vibac integrated production process, assuring prompt and integrated control of the whole **production process of Masking tapes**. Our range of products allows us to offer adhesive tapes of all types: **Carton Sealing, Masking, Fixing, Home and office, Mounting, Repair, Cloth&Duct, Electrical, Carpet and Floor tapes**.

GLOBAL PRESENCE

Customers in over 130 countries.
6 plants in Europe and North America

OUTSTANDING PRODUCTION CAPABILITIES

Adhesive tapes: 3.000 million sqm
BOPP Film: 130.000 Tons

6 PLANTS
1000
employees

MULTIPLE APPLICATIONS

in several industrial segments

VIBAC S.p.A - Italy

- 1 Headquarter (Ticineto) Italy
- 2 Vinci Plant (Vinci) Italy
- 3 L'Aquila Plant (L'Aquila) Italy
- 4 Termoli Plant (Termoli) Italy
- 5 Viggiano Plant (Viggiano) Italy
- 6 VIBAC Balcani D.o.o. (Jagodina) Serbia
- 7 VIBAC TAPE Inc. (Montreal) Canada
- 8 New Branch (Johannesburg) South Africa

01 | ACRYLIC

PRODUCT DESCRIPTION

- Polypropylene film in 5 different thicknesses
- Adhesive: acrylic water based
- Noisy or Low noise version
- High Tack version
- Available in the printable version
- Available in both versions "hand rolls" and "machine rolls"
- Colors: clear, white, brown, honey.

	Backing thickness
823 MN	23 µm NOISY
825 MN	25 µm NOISY
825 M	25 µm LOW NOISE
828 MN	28 µm NOISY
828 M	28 µm LOW NOISE
828 S	28 µm PRINTABLE
828 HT M	28 µm High Tack LOW NOISE
832 M	32 µm LOW NOISE
832 MN	32 µm NOISY
832 S	32 µm PRINTABLE
832 HT M	32 µm High Tack LOW NOISE
High Tack LN1	35 µm High Tack LOW NOISE

03 | NATURAL RUBBER

PRODUCT DESCRIPTION

- Polypropylene film
- Adhesive: natural rubber and resins
- Available in both versions "hand rolls" and "machine rolls"
- Optimum adhesion in both hot and cold seasons
- High performances for long period of time
- Optimum use on recycled cardboard or plastic bags
- Colors: clear, white, brown.

	Backing thickness
400	25 µm
500	28 µm
550	30 µm
600	35 µm
750	50 µm
830	30 µm LOW NOISE
800	35 µm LOW NOISE
839	30 µm EASY PRINT
899	35 µm EASY PRINT

05 | BONUS TAPE

	Backing thickness
W-BONUS TAPE	Acrylic 28 µm LOW NOISE 1,5 inch core
BONUS TAPE 2	Hot melt 25 µm 1,5 inch core
BONUS TAPE 1	BOPP Natural rubber 25 µm 1,5 inch core
BONUS TAPE	BOPP Natural rubber 28 µm 1,5 inch core

PRODUCT DESCRIPTION

Bonus Tape is a patented adhesive tape that uses less space compared to most other packaging tapes. The 200m (220 yards) roll on a cardboard core with a smaller diameter reduces the space necessary to store the tape by 2/3.

- Available also with Dispenser
- Colors: clear, white, brown.

06 | CUSTOM TAPE

BOPP 28 µm - Acrylic	LOW NOISE or NOISY
BOPP 32 µm / 28 µm - Natural rubber and resins	NOISY
PVC 33 µm - Natural rubber and resins	---
PAPER Syrpac printed tape - Natural rubber and resins	63 gr/m ² (Paper weight)

PRODUCT DESCRIPTION

Polypropylene, PVC or paper based pressure sensitive adhesive tape designed for manual or automatic carton sealing. Customizable both with flexographic and with sandwich printing process with up to 6 colors, printed on the polypropylene film before the coating process, both for Acrylic based and Natural Rubber based adhesive.

02 | HOT MELT

PRODUCT DESCRIPTION

- Polypropylene film
- Adhesive: synthetic rubber and resins
- Suitable for automatic taping machines for easy unrolling
- Available in both versions "hand rolls" and "machine rolls"
- Colors: clear, white, brown.

	Backing thickness
425	25 µm
105	28 µm
705	30 µm EASY PRINT

04 | PVC NATURAL RUBBER

PRODUCT DESCRIPTION

- PVC film
- Adhesive: natural rubber and resins
- No glue residues on the surfaces, great adhesiveness, naturally low noise
- Colors 700: clear, white, brown
- Colors 702: red, blue, yellow, fluorescent orange.

	Backing thickness
700	33 µm LOW NOISE
702	37 µm LOW NOISE

07 | PACKAGING PAPER TAPE

ENVIRONMENTALLY FRIENDLY

	Total thickness	Paper weight
219 Brown	130 µm	63 gr/m ²

PRODUCT DESCRIPTION

- Paper adhesive tape
- Adhesive: natural rubber and resins
- Colour: brown
